## Pachamama ‘Latin festival’

Celebrate with the team at Pachamama for a night on the rooftop, as we create a Latin festival with samba and carnival vibes. This venue is truly one of Cairns’ hidden gems. Enjoy an incredible menu of Latin inspired food for lovers of traditional Latin flavours with a modern take. You will truly feel like you have been swept away to Rio de Janeiro. If the music doesn’t get you dancing as we play Reggaeton, Salsa and Bachata, perhaps the specialty cocktail and beverage package will. The team serve up ice cold favourites all night long. There is no better way to fall into the spell of the Far North’s balmy evenings than a fiesta. Let everyone enjoy a night they will never forget.
