Weddings by Crystalbrook Kingsley

An old soul reimagined, Crystalbrook Kingsley is the first luxury hotel to grace Newcastle and boasts refined elegance, simple sophistication, and sustainably led events in a location steeped in history. Elegant celebration spaces, mouth-watering menus and 130 five-star hotel rooms are made for weddings of all styles and sizes.

Celebrate your wedding with us and the entire top-floor of the hotel is yours, with exclusive use of our bar and restaurant spaces to make your dream day come true. Enjoy canapes and cocktails in our rooftop cocktail bar Romberg's, before indulging in a five-star dining experience in our reception space, Roundhouse. Positioned on the rooftop of one of Newcastle's most iconic buildings, it's hard to imagine a better vantage point of Newcastle's harbour, coastline and beyond to Hunter Valley.

Brandishing distinctly modern Australian cuisine, we beat the drum for the region's abundance of world-class produce with a proudly Novocastrian spirit. We believe in local, responsibly grown food with our chefs working in partnership with artisans, farmers and fishermen to present pared-back dishes, free of pomp or pretension, that celebrate the beauty of the ingredients, fresh from the earth and sea. One of the great pleasures; the wine list showcases the incredible breadth of the region's distinctive and innovative wines (after all, the region has more cellar doors than any other wine region in Australia) along with a reflection of the best wines of Australia. Your celebrations flow seamlessly from one unforgettable moment to the next while our team of detail-devoted professionals curate your perfect day.
