Welcome to Byron Bay

Crystalbrook Byron is just a short drive from the iconic town of Byron Bay in New South Wales. With its stunning natural attractions and eclectic community, Byron Bay is one of the world's most famous coastal towns. You'll be captivated by gorgeous beaches, breathtaking hinterland rainforest, spectacular coastal trails, amazing marine life and a buzzing food scene. The area is a haven for health, wellbeing, creative and nature-based activities.

The original inhabitants are the Arakwal people, part of the Bundjalung group. They called the area Cavvanbah, meaning meeting place. The region has a long history as a center of celebration and ceremony.

We acknowledge the Arakwal Bumberlin people of Bundjalung Nation who are the Traditional Custodians of this land which we live, work, and stand on.

We acknowledge their continuing living culture, connection to land, waters and community; we ask that you help look after and respect country.

We acknowledge and extend our respect to Elders both past and present and upcoming future leaders.

Stating the facts:

- The town is situated on Cape Byron, which shelters Byron Bay and is the easternmost point of the Australian mainland
- Julian Rocks Marine Reserve, is one of Australia's top dive sites, lying just 2.5km out from Cape Byron and is home to 1000 marine species
- There are over 30 kms of beach in Byron Shire with water temperature ranging from 18°C to 26°C
- With a permanent population of around 10,000, the town attracts over two million visitors each year
- The Arts & Industry Estate in west Byron has independent fashion labels, vintage boutiques, co-working spaces, yoga studios, smoothie bars, surf shops, and homewares stores

Meet Mindfully

Welcome to our office, where greenery, wildlife, the ocean and pristine air replace the daily grind. Where commuting means simply stepping from one beautiful space to another.

Meet Mindfully is designed to remove the stressors and environmental pressures of conventional corporate meetings, instead facilitating meetings of purpose and value. Meet Mindfully provides delegates with a cleaner, slower, more conscious way to travel and gather for meetings and events.

Our goal is to provide you and each of your attendees with spaces, environments and a culture that is eco-progressive, Mindfully Safe and heroes the local environment while also being refreshing, empowering and invigorating.

Let big ideas happen naturally in an uninterrupted space to re-connect, reflect and focus at Crystalbrook Byron. Impress, reward, gather or celebrate. Kick your shoes off and dance across the lawn or stretch and twist with private yoga on the spa deck. Crystalbrook Byron offers everything you need to set the scene including serene, nature-filled spaces, turnkey event planning and farm-stand fresh food and drinks.

We offer elevated extras to enhance your next meeting or event. Because gatherings here are one of a kind. Our team can curate a bespoke package that allows your delegates to consciously connect with each other and the land.

Meet Mindfully

We love our planet and we're passionate about sustainability, or what we call Responsible Luxury.

This ethos extends to Meet Mindfully, where we are always looking for new ways to be eco-progressive. Meet Mindfully provides our delegates with a cleaner, slower and more conscious way to travel and gather.

Wellbeing for the body

With hygiene and mental health awareness at an all-time high, Crystalbrook has developed the Mindfully Safe programme ensuring all meeting attendees are provided with the highest levels of hygiene along with a toolkit to quench anxiety, open minds and drive productivity.

Wellbeing for the mind

We've partnered up with The Indigo Project to provide all meeting attendees with free-of-charge meditation and mindfulness tools for a clear mind and productive meetings.

Delegates will also have access to a Power Down Plan, to consciously connect with each other and disconnect from electronics and screens at the end of the day. Because regardless of how tech-heavy your event is or isn't, we can all agree that time away from our screens and technology is essential.

These tools are accessible to be used in a group environment or individually.

Meet Mindfully Activities

Guided Sound Healing

Using Crystal quartz singing bowl and chimes, this ritual is designed to leave your delegates feeling lighter and uplifted every time. The sound frequencies slow down brain waves to a deeply restorative state, which activates the body's system of self-healing.

Rainforest and Distillery Tour

During a short stroll through of the Cape Byron Distillery subtropical rainforest, see, smell and touch the native rainforest botanicals that are used in the award-winning Brookie's Byron Dry Gin, while learning the history of the Big Scrub rainforest. Afterwards, we come back up to the distillery for a full guided tasting, while discussing the art of distillation.

Welcome to Country and Smoking Ceremony

Arranging a Welcome to Country demonstrates respect for Arakwal Bumberbin people as the First Peoples in the Byron Shire. This special Welcome to Country tells the story of the rainforest our resort is set on and its significance to the Arakwal Bumberbin people. It can include a song, a dance, didgeridoo or for special events a smoking ceremony.

Guaranteeing the highest levels of animal welfare, a selection of Forest's wet and dry-aged beef is farmed at Crystalbrook Station.

Forest can accommodate up to 120 people.

With views of the glittering swimming pool and rainforest beyond, the Verandah is the perfect place to start – or end – your evening. In winter, the space warms on crisp coastal nights with outdoor heaters and cosy blankets.
