Three days

Day one : Arrival and Conference

Morning

Arrive at Cairns Airport early and feel that tropical warmth – you know you're someone new and exciting! Welcome to Cairns and the Great Barrier Reef, the only place on earth where two World Heritage listed areas coexist side by side. Transfer to [Crystalbrook Bailey](#), ten minutes drive from the airport in the heart of the city. Let the Crystalbrook Bailey energy engulf you as you arrive, slow down, take a deep breath and get ready to do things your own way.

Conference Kick Off - Rebuild

In our Crystalbrook Bailey Arias you can comfortably conference with up to 80 delegates in Cabaret Seating with natural light or drop-down screens and projectors and the ability to split rooms in to three break-out rooms. Morning and afternoon tea are served outside on the level three private terrace in the sun.

Evening

The meetings are over and delegates get ready to take over [Pachamama](#) on our rooftop to experience our welcome cocktail activations on the Terrace overlooking the pool. Live food stations, Live Entertainment and a Live Pachamama welcoming ceremony summons the rebuild to begin.

Day two : Half-day Conference and CSR Activity

Morning

Early risers can start the day with peaceful relaxation by the pool.

Conference Half-day

Meeting on level three at Arias 1-3, it's time for a Half-day session that builds on yesterday's foundations of rebuilding.

CSR Half-day Activity

Build Your Hive for Sweet Success

Learn about the inner workings of a beehive and how the structure and working order is vital to the hive's success. An educational tour with Cairns Local Hero Graham Thornton for corporate groups to build camaraderie and a renewed focus on teamwork as evidenced by the beehive structure in nature. Each workshop lasts 4 hours including the learning experience, smelling and tasting a variety of yummy honey and a hands-on activity constructing a native bee house which will be donated to parks, community centres and schools in Cairns.

Evening off-site

Welcome to Freshwater Cane Farm

Experience a unique Cairns event on a working sugar cane farm on the outskirts of the Cairns CBD. On sunset the coaches drive through the cane and pull up at the cane shed, welcomed by the farmer and his crew. Icy cold stubbies of beer and sugar cane cocktails are served on arrival beside the shed for guests to enjoy their surroundings under the stars. Long tables themed to match the bush country vibe greet your guests as they enter the cane shed after pre-dinner drinks. Chefs will cook straight off the barbies as the Bush Band play into the night. Menus and extras can be tailored to your event – add cane toad racing, a mechanical bull or incorporate a cane burn.
