

## Crystalbrook Collection Welcomes East Coast Travellers Back to Poolside Days and Balmy Evenings with Luxe Summer Packages

**Australia – 9 December 2021:** With the Queensland border re-opening on 13 December, Australia's largest independent sustainably-led five-star hospitality group, Crystalbrook Collection, has launched a series of luxurious holiday packages to celebrate East Coasters' new travel freedoms and help them shift from wanderlust-ing to 'getting their holiday on'.

The border re-opening allows vaccinated Australian East Coast residents to travel from tip to toe across three states, and the sustainable hotel group welcomes New South Welshman and Victorians back to Queensland, while opening the door to Queenslanders seeking a southern summertime escape to New South Wales.

Geoff York, CEO of Crystalbrook Collection, says "we're thrilled to be welcoming back so many Australians to our sustainably led hotels, especially with the festive season and summer break approaching. Now's the perfect time to pack your bags and experience the best of Australia, from stunning Tropical North Queensland all the way down to Sydney."

For total peace of mind, all packages offer flexible cancellation up to a day prior to check-in, so travellers can breathe easy and get ready to #HolidayHereThisYear.

The Group also owns and operates a collection of ten restaurants, three spas, Crystalbrook Superyacht Marina in Port Douglas along with Crystalbrook Station and its subsidiary pastoral businesses.

### Responsible Luxury

[Responsible Luxury](#) and sustainability is at the forefront of the way Crystalbrook thinks and operates.

At a glance:

- Operating a single use plastic free environment. No plastic straws, water bottles or single use bathroom amenity bottles (in the past two years the Group has saved over three million plastic bottles from entering landfill)
- Farming their own beef
- Sourcing at least 80% of produce from within a three-hour drive of each hotel
- Use of technology, such as in-room iPads and mobile check-in to create paperless environments and experiences
- Use of recycled and upcycled materials. Examples include key cards made from recycled wood, coat hangers made from recycled paper and toothbrushes made from sugar cane and corn starch.

### Crystalbrook Collection and Ghassan About Group
